

Dear Brethren,

This is person to you for all the encouragements I have received from you. The last lot I baptized, 2 women above 60 years old were both Muslims. They are over excited of what God has done to them. They are saying she has found grand children (we) in the Lord Jesus Christ. They share the name MARIAM, together the active saints who were formerly Muslims: Marriam, Marriam, Shafik, Ali, and Ibrahim. May God be glorified for all these great success he gave this year 2006. Please pray for me that cares of this world does not discourage these efforts I am making,

God bless you,

Francis
