

## Financial Report

May God bless brethren and congregations that gave us support this month. It is not possible to preach without financial support considering what it involves like transport, stationary, rent, communication and of course family needs. Through May 2007, brethren and congregations sent support as follows:

May 2, 2007 \$700 (Baron - one time)

May 5, 2007 \$300 (Brother - one time)

May 10, 2007 \$167.50 (Dennis - one time)

May 18, 2007 \$585 (Warren's congregation - quarterly)

May 18, 2007 \$500 (Southside - monthly towards rent)

May 23, 2007 \$250 (Jean - monthly)

May 24, 2007 \$100 (Brother - one time)

May 26, 2007 \$200 (Keith and Sandy - one time)

**Total \$2802.50 and spent as follows:**

My family welfare \$598.50

Transport cost \$520

Church Rent \$650

Rosemary's family \$985 (part of fees and school requirements, food, utilities),

Beneficiary bank charge \$49

We have a few things to be paid for as a result of shortfall in support received in the month. Among the things not paid for are second term children's school fees, arrears on rent (paid half way for Kampala, and May for Jinja not paid), utilities and debts, some of these carried forward from April. Rosemary's rent is due for payment too. Please continue to lift us to God in prayers dear brethren.

### Monthly expenses cover:

1. Transport:
  - a) to preach in Jinja, Tororo and Kampala,
  - b) to transport destitute Christians to church for worship
  - c) to transport children to school
2. Church rent, lighting and water.
3. Family needs:
  - a) Food for the family
  - b) Others (medications, clothing, house help, toiletry, etc)
4. Utilities:  
(Electricity (revised), water, postal services, communication, others),
5. School fees and scholastic materials paid per term 3 times per annum: January, April and August),
6. Helps to destitute brethren during emergencies. Right now one elderly lady, over 70 years widow, lacks an accommodation. Urgently needs a roof to have somewhere to sleep.
